PHYSICALLY INCLINED

p,2,1:53s,3,1:49s (\$267,650) | Mach Three - Artisticlyinclined - Artsplace

Slow footed horses just do not make sires.

PHYSICALLY INCLINED showed brilliant speed - Just watch his North America Cup consolation win.

A terrific physical specimen, **PHYSICALLY INCLINED** had the tools that today's breed absolutely has to have - raw two-year-old speed, speed and more speed.

THINK ABOUT IT

"Ran away from the field in the North America Cup consolation (1:49). Big, strong, athletic horse and strong gaited."
