"Eagle Luck raced against the very best in North America for a number of years. He always raced with incredible determination and was able to grind it out. From my perspective he always gave me the supreme effort and was always passing horses at the finish line."

...DRIVER JOHN CAMPBELL

"He was a very versatile horse that could race any way you wanted. A good looker who liked to race and what I loved about him was that he always had a strong last quarter to give me, not all of them do."

...DRIVER MIKE SAFTIC

"What a slick gaited horse. He was the ultimate iron horse and tough as nails. He raced and defeated the best horses of this era (Mister Big, Doonbeg, Won The West, Mr Feelgood, etc.). I can't say enough good things about him."
